## ANTHRO - SPECTIVE

THE SEMESTERLY NEWSLETTER OF ANTHROPOLOGY MAJORS

# WELCOME STUDENTS!

Hey everyone, hope you're having a good month and are feeling loved. In the context of love I want to share with everyone a love letter from anthropologists to anthropology. I hope those who read the newsletter get a sense that anthropology is sharing with them a holistic, unconditional love for all beings. The cool thing about anthropology is we get to pursue meaning and understanding. It gives you a glimpse into what others love and care about around the world and maybe you too can come to love the world the same way. The capacity of love is something that you define and yet something that is also undefinable.

MUCH LOVE, YOUR UCC-ADRIAN JARAMILLO Thats a really good
question i think just the
idea of being able to
idea of being and connect
understand and connect
understand and reall
with people on a
with people From all
different level. From all
different walks of life.

I would say how everyone from different backgrounds can be found in or be a part of anthropology. Finding how those around the world live and experience life and this is what makes the world so beautiful and unique. I always found different cultures interesting and I loved museums. You also get these different fields and get to see how people come together from different fields and tell stories about the past and present.

The paycheck, gurl what i love about arthropathy is it that i can look at anything periot.

The study of anthropology or like the study of anthropology
The study of anthropology
like the study of rea part of
like the study of real part of
because you real state or like or like or or land or like or like or like of an old church.
I floor of an old church of thought it was cool history.
I thought it was cof history.
I like it because I enjoy being a like it because I history.
I like it because I history.

# LOVE LETTER TO ANTHROPOLOGY WHAT I LOVE ABOUT ANTHROPOLOGY IS...

I like how its ahhh.....
Like we are getting a
holistic education and it's
varied and general and
like yeah you can focus
on one thing and still
have the option to look at
another subfield or even
work within a different
subject without picking
one over the other.

Ahh... what do I love about anthropology... Well I love y'all anthropology I love that anthropology gives me a way to in a human way rather than humanistic than just reading about way to relate to them and make human.

THE DEPARTMENT OF ANTHROPOLOGY AT THE UNIVERSITY OF NORTH TEXAS **PRESENTS**

## **EXPO PROFILE**

Alé is a Medical Anthropologist working at Seattle Children's Hospital as a regional social service specialist. Currently, he is pursuing an MPH at the University of Washington and is studying global health and epidemiology

Anneka is currently working on her MS in Emergency Management and Disaster Science at UNT.

Rendi is a Licensed Master Social Worker (LMSW), working with children and families in a variety of settings. She is currently working toward her clinical license and plans to specialize in trauma-focused play therapy.

Briana is a primary school teacher who recently returned to the US after teaching at international schools in China for 5 years.

## **EXPO PROFILE**

Brynn is a Population Research Assistant at UT Southwestern Medical Center.

Hannah Rafferty is an Employment Case Aide at the International Rescue Committee in Dallas. She works with refugees resettling in Dallas to aid them with economic empowerment through resume building, job training, and job applications

Whitney Williams is in her 23rd year of teaching English at McKinney North High School. Drawing from her anthropology background, she fosters an appreciation for cultures and literature, sharing her passion with her students.

Morgan works as an Operations Coordinator at Radian Aerospace, advancing aerospace initiatives by optimizing processes, implementing tools, and coordinating high-visibility projects with internal and external stakeholders

## **EXPO PROFILE**

As an independent consultant, Natalie works in the private and public sectors as an Organization and Design Anthropologist leading culture-informed change.

Sarah works as a Development Associate at the Mid-America Alliance, organizing and executing fundraising efforts.

John is a lead UX Researcher at Cariloop, a digital caregiving support company.

HELLO, MY NAME IS CARTER WILBURN, AND I SERVE AS THE CURRENT PRESIDENT OF THE UNDERGRADUATE ANTHROPOLOGY STUDENT ASSOCIATION. THIS ORGANIZATION MEANS A LOT TO ME AS IT HAS BEEN A HUGE RESOURCE FOR MAKING CONNECTIONS WITH OTHER ANTHROPOLOGISTS. MY JOB IS TO PLAN MEETINGS WITH THE OTHER OFFICERS AS WELL AS RUN THEM AND MAKE SURE THEY GO SMOOTHLY. I KNOW MY FRESHMEN YEAR, UASA MEETINGS WERE SOMETHING I LOOKED FORWARD TO AS A WAY TO GET INVOLVED IN THE ANTHROPOLOGY DEPARTMENT. IT FEELS GOOD NOW KNOWING THAT I'M ABLE TO HELP PUT ON THESE EVENTS FOR OTHERS. I THINK ATTENDING UASA MEETINGS AND OTHER EVENTS WITHIN THE DEPARTMENT IS THE BEST WAY TO DEVELOP FRIENDSHIPS WITH OTHER ANTHROPOLOGY MAJORS AND MINORS. ON TOP OF ATTENDING MEETINGS. BEING AN OFFICER OPENS UP EVEN MORE OPPORTUNITIES WHILE BEING A GREAT ADDITION TO ONE'S RESUME. UASA IS DEFINITELY LOOKING FOR NEW STUDENT LEADERS AND OFFICERS FOR NEXT YEAR, SO LOOK OUT FOR MORE INFORMATION SOON IF YOU'RE INTERESTED OR CONTACT ME OR ANY OTHER OFFICERS WITH QUESTIONS.

<-<-<

THANK YOU,
CARTER WILBURN
CARTERWILBURN@MY.UNT.EDU

MY ROLE AS COMMUNITY OUTREACH COORDINATOR FOR UASA IS A ROLE THAT ALLOWS FOR ME TO USE MY CREATIVITY. I AM PRIMARILY IN CHARGE OF DESIGNING THE FLYERS FOR OUR MEETINGS, HOWEVER BEYOND THAT I ASSIST IN PLANNING OUT MEETINGS THAT WILL BE FUN AND ENGAGING FOR OUR LITTLE ANTHROPOLOGY COMMUNITY SUCH AS OUR CRAFTING AND GAME MEETINGS. ONE OF MY FAVORITE MEETINGS WE HAVE HAD WAS LAST SEMESTER WHEN WE PAINTED TOTE BAGS. IT WAS ONE OF THE FIRST MEETINGS OF THE SEMESTER SO WE ALL GOT TO KNOW EACH OTHER BETTER WHILE EXPRESSING OUR CREATIVITY AND HAVING SOMETHING TO TAKE HOME AND USE BY THE END OF THE NIGHT. THE MOST FULFILLING PART OF BEING AN OFFICER THESE PAST TWO YEARS HAS BEEN TO SEE FRIENDSHIPS AND CONNECTIONS BLOSSOM WITHIN THE STUDENTS IN OUR DEPARTMENT.

-FAITH SANDSTRUM

MONEY, FUNDS, AND PURCHASING REGARDING THE ORGANIZATION. I ENJOY UASA AND BEING PART OF THE OFFICERS BECAUSE I GET TO SOCIALIZE WITH OTHER ANTHROPOLOGY MAJORS AND ITS OVERALL A FUN TIME! OUR RECENT MEETING FOR VALENTINES WAS A FUN ONE. AND WE ALWAYS HAVE FUN AND ALTOGETHER GOOD MEETINGS.

-JOCELYN JAMES

MY NAME IS JARRETT WHITE AND I AM THE SECRETARY FOR UASA. MY RESPONSIBILITIES INCLUDE RUNNING THE INSTAGRAM AND MAKING SURE TO TAKE PHOTOS OF UASA EVENTS. I LIKE BEING APART OF UASA BECAUSE OF THE PEOPLE AND FRIENDS I'VE MET WHILE GOING TO OUR MEETINGS. BEING SECRETARY HAS TAUGHT ME HOW TO WORK WITH OTHERS AND HELP ORGANIZE CLUB MEETINGS. I REALLY ENJOY WHEN WE PLAYED DIFFERENT BOARD GAMES WE GOT BORED OF PLAYING EXPLODING KITTENS AND DECIDED TO SWITCH TO TWISTER. I ALSO REMEMBER WHEN WE MADE OUR OWN TOTE BAGS AND MY CAT DRAWING LOOKED SO BAD COMPARED TO EVERYONE ELSE'S.

-JARRETT WHITE

The Anthropology Student-Faculty Liaison is developing a fundraiser to raise money for a student-led scholarship!

Any money raised during this event will go directly to a scholarship that will support undergraduate anthropology students at UNT (THAT MEANS YOU) with select school supplies and fees they may need help with. Help us raise the money!!

Link to Sign Up: https://forms.gle/2kFwFxq56dKzopX57

Date: February 20th, 2025 a.k.a ANTHROPOLOGY DAY!!

Time: 5-8PM

Address: 112 W Oak St, Denton, TX 76201

Questions?: ANTH-liaison@unt.edu

Preheat those ovens as the anthropology student leadership is hosting an event that any anthropology major, faculty or affiliate are welcome to participate.

The way the event will work is you will create and decorate your own cake at home or any space available to you. You will then be submitting a photo of a decorated cake between now and March 28th as long as the photo is on the day March 28th it will be counted. The large time frame is to give you enough time to create the cake without affecting class time so no rush. If you would, please submit your photo through your school email to Anth-UCC @ unt.edu. The pictures will be posted online and in person to get a large amount of votes and the winner and runner ups will be featured in next month's newsletter.

I hope you all have fun with this and if you are unsure with what to do with your cake and able to make it to campus come share it with your fellow anthropology students and faculty. Can't wait to see what you all create.
